BOOK SYNOPSIS

Lawsonia inermis ver. alba... "henna". How much do you know about this incredible botanical? Was it sensual Mehndi body adornment or Cleopatras favorite perfume? An aphrodisiac or a treatment for leprosy? An ancient Roman currency or a last right for the dead? This book takes a fascinating look at one of the most popular botanicals of all time. Never before has a book been devoted to henna as a whole. Drawing on botany, archeology, phytomedicine and folkloric history to define the many ambiguities and misconceptions surrounding it, thus presenting for the first time an accurate and complete history of henna. A portion of the proceeds from this book goes to charity and preservation of hennas history. - In extreme depth, hennas medicinal past is revealed. From the papyrus Ebers to the writings of Galen, discover hennas uses in all of the major Old World medicines. -Did you know henna has some of the most fragrant flowers on earth? Learn why women became addicted to them and the shocking basis for their allure. - Think you know the full story concerning henna body art? Think again. Find out how its history was manufactured in the 19th and 20th century to cover its true origins.
