BOOK SYNOPSIS

More than 100 recipes for the Italian dishes of the much-beloved celebs childhood, presented with tips and hints for enjoying them without overindulging. As a member of a large, food-loving Italian family, Valerie Bertinelli has always equated food with good times and togetherness. But at one point her love of food threatened not only her health, but her livelihood as an actress, when personal demons drove her to overeat and make poor food choices that caused her weight to balloon by 50 pounds. Now happily svelte, remarried, and riding a new career high, Valerie has made peace with food, giving it a central-yet considered-place in her home and family celebrations. One Dish at a Time offers an intimate look into the beloved actresses kitchen, where she prepares a collection of treasured recipes from her Italian heritage. Along the way, she shares her insights into the portion control and mindful indulgence she has come to practice on her journey to enjoying the pleasures of the table again. Filled with gorgeous photos including the actress in her kitchen, nutrition information accompanying each recipe, and Valeries tips for maintaining a healthy lifestyle, One Dish at a Time is designed to please baby boomer fans and home cooks alike.
