BOOK SYNOPSIS

Make sleek and functional home furnishings from inexpensive plywood and other off-the-shelf materials using only basic hand and power tools. This unique building guide offers 73 innovative ideas for using plywood to make everything from desks and workstations to children's playhouses. Projects for every need and skill level are presented with clear assembly diagrams, step-by-step instructions, and photos of the finished product. Discover the simplistic beauty plywood can bring to your next project and take pride in making your own handmade furniture.
