BOOK SYNOPSIS

Preparing for Marriage, along with the accompanying Leader's Guide, were developed to help engaged couples prepare for the important task of building a Christian marriage. This resource provides engaged couples opportunities to develop good communication skills and deal with issues of personal expectations, family histories, role responsibilities, communication, finances and the traits of a biblical marriage. It encourages the development of a mentoring relationship with an older married couple. Each session includes informative Bible study, discussion questions and special projects to be completed by the couple to reinforce the topic of the session. The study can be used by counselors, groups or individual couples. Has 6 sessions
